Condition of stock when loaded: (Please circle) Clean Dry Wet Dirty

Information about holding restrictions or results of analysis relevant to public health.
Sign at the end of this document to confirm the below:

- The holding is not under movement restrictions for any other animal disease or public health reason.
- Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animal(s) while on this holding and any previous holdings.
- To the best of my knowledge, no quinolones or 3rd/4th generation cephalosporins have been used in any of the animals' lifetime.
- To the best of my knowledge the animals are not suffering from any disease or condition that may affect the safety of meat derived from them.
- No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.
- None of the animals on this consignment are either cloned or progeny of cloned animals

Please place a cross (X) in the below boxes if applicable:

<input type="checkbox"/>	I confirm that these lambs have been produced in accordance to the Red Tractor Assurance Standards and have resided on an assured farm for no less than 60 days .
<input type="checkbox"/>	I confirm that these lambs have been resident on the final farm for a minimum of 20 days .
<input type="checkbox"/>	I confirm that these lambs have not been transported in the last 2 weeks of their gestation period.
<input type="checkbox"/>	I declare that all Welsh lambs (if supplied as Welsh) have been born and reared in Wales (PGI Welsh Status)
<input type="checkbox"/>	I confirm that these lambs were born and reared in the United Kingdom .
