FOOD SAFETY & QUALITY WEEK

MONDAY 12TH FEBRUARY – TACCP & FOOD DEFENCE

WHAT IS TACCP?

FOOD SAFETY & QUALITY WEEK

MONDAY 12TH FEBRUARY – TACCP & FOOD DEFENCE

TACCP

EXTORTION

Extortion is when a someone threatens to intentionally contaminate products unless they receive a pay-off

ECONOMICALLY MOTIVATED ADULTRATION

An example would be if a company cut corners and removed key ingredients to cut costs, hampering the safety and quality of the food

CYBERCRIME

Opportunist criminals could inflict damage on the business by hacking into business servers stealing data and crippling production demanding money

ESPIONAGE

A competitor could use a member of staff to steal / spy on another business to gain information on customers and business practices

MALICIOUS CONTAMINATION

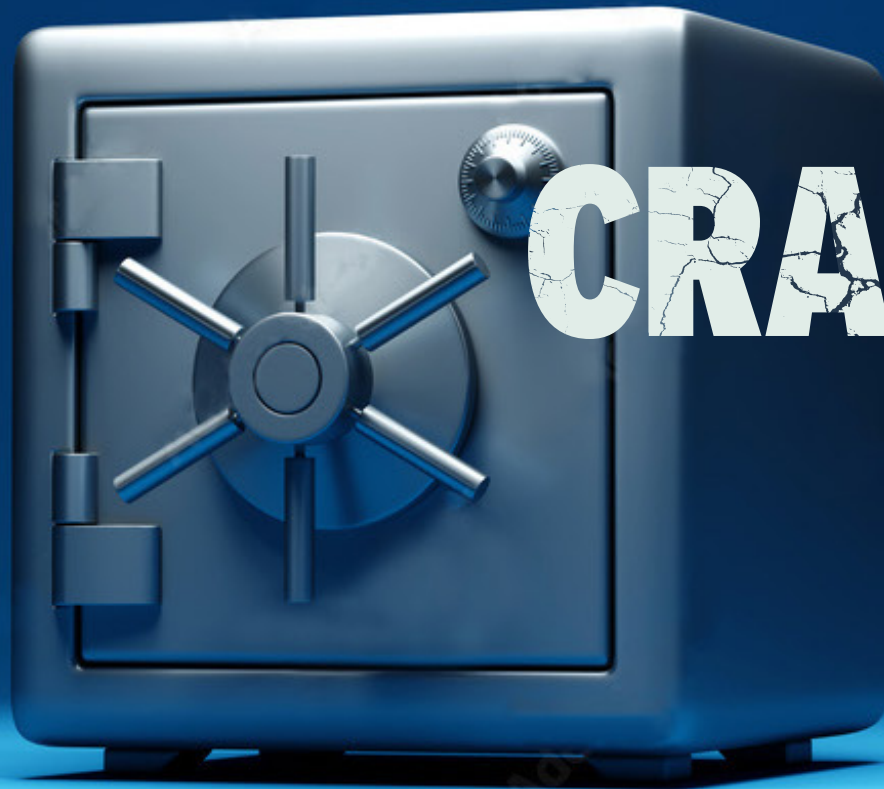

An employee wanting revenge on the business could contaminate product before it leaves production
