

FOOD SAFETY & QUALITY WEEK

FRIDAY 16TH FEBRUARY – FOOD SAFETY CULTURE

LEGISLATION OF FOOD SAFETY

The Food Safety Act of 1990 has implemented regulations make it illegal for anybody to process or sell food that is harmful to health.

Legislation covers the following areas:

FOOD IMPORTS AND EXPORTS

SAFETY

TRACEABILITY

LABELLING

PRODUCT WITHDRAWALS AND RECALLS

TEMPERATURE

Carcase temp spec is below 3°C, carcass temperature is taken after transport and into boning.

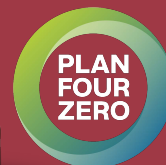

BEST BEFORE DATE

Foods with longer shelf lives are labelled with 'best before' dates, which indicate how long the food will be at its best.

USE BY DATE

Dates marked 'Use By' are present on perishable food like dairy, meat, and fish.
