FOOD CHAIN INFORMATION - CATTLE

LEGAL REQUIREMENT TO COMPLETE

Animals born or reared in the UK (including the Isle of Man) before 01/08/96 MUST NOT be supplied.

Ref: MC2 / MS2 Serial N°	Are any animals listed CLONED OR PROGENY OF CLONED ANIMALS Tick if YES ☐		
Declared information for animals listed - Please complete <u>ALL</u> sections (A – F) below:			
A) Tick box if holding under <u>TB movement restriction</u> ☐			
B) I DECLARE: - The holding is not under movement restrictions for any other animal disease or public health reason. - Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animal(s) while on this holding and previous holdings. - To the best of my knowledge the animals are not suffering from any disease or condition that may affect the safety of meat derived from them. - No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat. - These cattle have been fed a minimum 70% forage-based diet and feeding records maintained.			
C) Tick Box to confirm that the animals on this delivery were transported from their holdings in vehicles which were cleaned and disinfected immediately before loading, using a disinfectant authorised by the competent authority. ☐			
D) Record all veterinary medicines and other treatments administered in the previous 28 days. Have, to your knowledge, any quinolones, colistins or 3rd/4th generation cephalosporins been used in any of the animals lifetime? If yes provide details below.			
Medicine Name			Vet Details
Withdrawal Period			
Date Administered			
List Eartag number(s)			
E) If the animals do not fulfill all the above statements, tick this box and provide additional information below			
Information about animal(s) believed to be suffering from a disease or condition that might affect the safety of meat derived from them			☐
